

Our Identity in Christ
"A 40-Day Experience"

Lately, as a leader, I've been challenged by the Lord to re-evaluate the foundation of my relationship with Him. Has my identity drifted back to performing for God and others or is it rooted and grounded in Christ. These and many other questions have led me to design this series. You see, the bases of one's foundation will determine the kind of leader they will be. Such truth is addressed in Matthew 7:24-27,

"Therefore everyone who hears these words of mine, and acts upon them, may be compared to a wise man, who built his house upon the rock. And the rain descended, and the floods came, and the winds blew, and burst against that house; and yet it did not fall, for it had been founded upon the rock. And everyone who hears these words of mine, and does not act upon them, will be like a foolish man, who built his house upon the sand. And the rain descended, and the floods came, and the winds blew, and burst against that house; and it fell, and great was its fall."

If the foundation of our relationship with the Lord is rooted in what others think of us or how well we perform then we will be unsteady and unwise as a leader. This type of foundation leads to pride, insecurity and a host of other sins of the heart. However, if our foundation is rooted and grounded in Christ, then being in Christ will enable us to stand firm when the cares and pressures of life comes at us.

My prayer is that you will enjoy this 40-day experience with the Lord and that it will reconstruct the very core of your foundation as a person. As you meditate, reflect, pray and/or study, allow the Holy Spirit to speak to you in a deep way that can result into a lifelong transformation of being more like Jesus!
