Helping ministry boards and CEOs govern well, lead well, and thrive

“The collective wisdom and experience of the faculty is amazing, and they are caring brothers. This may well be one of [Citygate Network’s] most valuable member benefits.”

Denny Bender,
Former Executive Director,
Union Rescue Mission of Wichita

“Ripple Effect has the potential of making the relationship between the E.D. and the board much more cordial by defining the roles for both in a way that is non-threatening to either. This is without a doubt the best value for training I have ever seen.”

Michael Brown,
Kalamazoo Gospel Ministries
